Remember to add a border around the image if you need one to allow for a title or signature, a mount, a stretcher or a box frame.  
We can print any size, not just the ones shown, and we charge per area of material used.  
To find the price at a different size, divide the A0 price by 10,000 and multiply this by the area that you need in square centimetres.

Set up prices are £60 from original artwork and £29.50 for colour matching a file. FREE from a print-ready file.
